Dear Ms Maluleke

On 9 February 2026 I delivered a request for the Court President's consent in the above matter, and your predecessor Ms Basson duly acknowledged it on the same day.

My request, my covering email, and her acknowledgment are attached.

More than six weeks later, my request still hasn't been decided.

Please enquire for me and advise me when I might expect a decision.

The matter is exceedingly important.

Yours sincerely

Adv Anthony Brink
