Dear Sir/Madam

I attach a PAIA complaint in the prescribed form for your investigation and resolution under the Act please.

As you'll see, the problem arises from a simple but unfortunately stubborn misunderstanding of PAIA by certain ladies at the LPC's KZN Office, whom I've copied in.

I'm sure that the matter can easily and amicably be resolved upon their receipt of your official advice regarding the LPC's constitutional information transparency obligations.

I've tried explaining them, but sadly without success.

I'm sure you'll have better luck in this serious matter.

Please acknowledge receipt.

Yours sincerely

Anthony Brink

PS: This complaint has been delayed a few weeks by another pressing legal writing obligation, viz: my preparation under deadline of my submissions invited by the JSC in the Waglay JP appeal case, mentioned in my email correspondence with the LPC annexed to my PAIA complaint. I filed these submissions on the 19th last week.
